

***16021 Partnership Road  
Poolesville, Maryland 20837***

Outstanding estate property offering the best of country living with the finest equestrian facility. Located in Montgomery County's sought after agricultural reserve, this location is perfect. 35 min from DC. The current owners incorporated the original structure in order to increase the size to 4 bedrooms, 5 full bathrooms and 1 half bathroom plus space for an additional bedroom. The "new house" was custom built in 2009 with 3 bedrooms, 3.5 baths, 2 custom offices, home theatre, walkout finished basement for large gym or play room, upstairs laundry and huge open living dining kitchen. Highest quality finishes throughout. Fabulous views from every room. The original house built in 2005 is a gorgeous timber frame home with separate kitchen, living room, loft and 2nd master suite. 1.5 baths and additional laundry room. Both houses seamlessly combined by Annapolis architect Chip Bohl.

The equestrian facilities were designed by a professional and offer all the amenities including stabling for 14 horses, indoor and outdoor rings with premium footing, 4 bay storage garage and automatic waterers. Many extras like complete home generator, full solar array, 4 car garage with loft and full ac/heat. Bordering Seneca State Park, with access to numerous trails. Located in the Poolesville School system and just minutes to the town of Potomac. Beautifully maintained and move-in ready.

***Offered for Sale at \$2,100,000.00***
